

Basic Shells

This great collection of Basic Shells is a fundamental in any pattern collection. The collection includes 2 different necklines, 2 sleeve lengths and 2 length options. The keyhole back uses a center back seam - it's easy to stitch and will not tear at the point. Vertical Shaping Darts are provided as a option should you wish a more tailored finished garment (you will have to use a zipper though) Detailed pattern alteration guidelines are also included to help make your pattern fit YOU and to guarantee that you will use your Basic Shell pattern for many years to come.

What is a Dress Club Pattern?

Dress Club Patterns are designed so you can mix and match. Any body will easily interchange with any of the sleeve in the Dress Club Series of Patterns. Watch for the emblem!
