

# Tsing Tao Tunic

Shirt Club  
Pattern

This hip-length tunic looks great on every BODY - optional darts in back add shaping and long center front piecing in 2 versions create a long and flattering look. Easy pockets are set into a diagonal front seam and are designed in 2 different styles - one is a shaped opening and one is covered with a traditional flap - the flap is sized to lay outside as shown or flip inside the pocket if desired for wearing ease. Mandarin Collar is stylish - and optional. Jewel-neck version looks great as a 'Scrub' and the extra-deep front pockets are a practical added feature.
