# Cabernet Top

These fun tops have options built in! You can make the wrap top or the round-neck top and mix&match with either the longer wrap version peplum or the plain shorter length peplum. Even the waistband has options - make with the overlap and insert a tie belt or make the single layer and match the fabric to the neckband for contrast and interest. Both necklines have optional neckbands included in the pattern.

## What are Stretch Top Patterns?

Stretch Top Patterns are designed so you can mix & match. The sleeve from any dress or top with the Stretch Top Symbol on the pattern will interchange with any other pattern with the Stretch Top Symbol.
